

Christ Lutheran Preschool
 October 2016 Bulletin
THREE YEAR OLDS

Dear Parents,

This past month the children have been singing, saying, illustrating and dramatizing nursery rhymes. This type of literature is a vital first in early childhood education. The children are proud of their nursery rhyme books. Be sure to "read" the nursery rhyme book together. The children have also enjoyed easel painting and finger painting.

Rhythm and Movement Days are Tuesdays or Thursday. Ms. Puckett asks that the children wear **shoes** they can move in. Thanks!

Classes will begin activities centering on the fall season and Halloween. We will be talking about fire safety and have fire drills at school. Please talk about fire safety with your child and things you can do at home. Where is your meeting place?

We are starting to contact parents by telephone or at school to discuss the children's adjustment to their class.

JUST THOUGHT YOU WOULD LIKE TO KNOW:

Halloween - Our main focus is learning about real vs. make believe, but most of all, just plain fun. We do nothing that will frighten children. We believe that Halloween can be a time for imagination.

Lunch Bunch – Calendar and payment go to the teachers. Please don't mail them in with your tuition.
