Dear Parents,

Spring is finally here. Help your child see all the signs of spring. Take a spring walk together! This month begins with Easter projects. We will dye eggs, have an Easter egg hunt, and learn some new songs. It is always a fun time at school.

Your child has already experienced many activities this year involving exploration, cooperation, problem solving and just plain fun. We have been working on shapes: circle, square, triangle and rectangle. Spring is a great time to get outdoors and be shape detectives together. Shapes are everywhere -- in houses, signs and nature. Be on the look out!

Mrs. Pridemore Mrs. Wolken
