

Christ Lutheran Preschool

October 2016 Bulletin

FOUR YEAR OLDS

Dear Parents,

Dogs, Dogs, Dogs are in our favorite books we've read. I'm sure you heard about Harry the dog getting dirty, and the sweater he didn't like. Dog was another favorite, with his colorful new spots. Experiences centering on colors, shapes and cutting are a large part of these first months. Apples have been sampled, graphed, named and painted. Have you found "the magic apple" with your child?

Activities in October explore the fall season and real or pretend (Halloween).

We will be discussing fire safety as well and fire drills. Please discuss fire safety with your child at home and review **your** fire plan. Where is your meeting place at home?

Each month, we will be working on number and letter recognition (both upper and lower case). We need your help to reinforce letters and numbers at home. Make sure to **build** them each day with the lines and curves you made this summer. Look for the **letters** and **numbers** your child brings home as a reminder. Letters and numbers are everywhere. Let your child find them on your trips in the car. The letters for September were Ss, Aa, Xx, Ww, Yy, and the numbers 0 and 1. October letters will be Oo, Pp, Jj, Cc and the numbers are 2 and 3. **Idea for the month** - Post your child's name around your home. This will help in recognizing their name at school. Have your child search their name to see if the letter we are working on is there. Watch their letter awareness grow!

Mrs. Puckett is reminding us to wear Tennis Shoes on Tuesday and Thursday for gym.

We are beginning to contact parents by phone or at school to discuss the children's adjustment to class.

Mrs. Pridemore Mrs. Wolken Mrs. Williams

SPECIAL DAYS IN OCTOBER:

- | | | |
|------------------|---|---|
| Monday, Oct.3 | - | NO SCHOOL – In Service Day |

| Monday, Oct. 31 | - | Halloween Party – Mrs. Williams and Mrs. Pridemore's Fours |

Costumes never stay on long so please send a large PAPER grocery bag or a reusable bag to put them in.

JUST THOUGHT YOU WOULD LIKE TO KNOW:

Halloween - Our main focus is learning about real vs. make believe, but most of all, just plain fun. We do nothing that will frighten children. We believe that Halloween can be a time for imagination.

Lunch Bunch – Calendar and payment go to the teachers. Please don't mail them in with your tuition.

DOOR OPENERS:

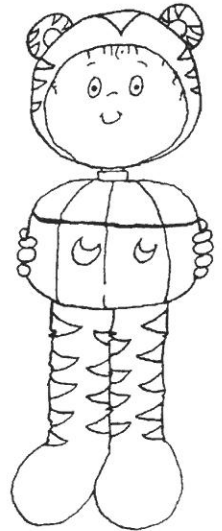

Monday
Tuesday
Wednesday
Thursday
Friday
