Dear Parents,

Spring is finally here. Help your child see all the signs of spring. Take a spring walk together! This month we will see more Easter projects. We will dye eggs, have an Easter egg hunt, and learn some new songs. It is always a fun time at school.

We will continue to be busy with our math games. We will also continue working on writing our numerals and printing our names (first and last - upper and lower case!!). This month we start a review of all upper and lower case letters. Numbers and letters are everywhere - *use your trips in the car to be "detectives"* and help your child with their review. Here is an *Idea for Home*. Put numbers 1-12 in a bag. Have your child pull one number out every day, find that number on the calendar and tell what number it is. Do this over the summer as well.

We are getting ready for a Party. Lots of surprises for our Moms in May! Make sure you **mark your calendar** for this important date for mothers. The **Mother's Day Teas** are Wednesday, May 10th for the M/T/W Fours and Friday, May 12th for the W/T/F and 5 day Fours.

Mrs. Pridemore Mrs. Williams Mrs. Wolken
