Dear Parents,

With the winter months upon us, now is a good time to let your child practice at home and show you how they put on their coat with the "magic flip". Encourage and praise your child for their efforts. Zippers and buttons can be difficult for small fingers. We know this takes a little longer but your child's satisfaction of this *independence* is well worth it.

Our school follows the *inclement weather closing* of Jefferson County Schools. Unless you are notified, we are closed when Jefferson County Elementary Schools are closed. Our opening time, in the event of delayed openings, is *still* 8:55 a.m. It is not necessary to call the school.

The mittens, socks and hats that were collected during December went to the J-Town Area Ministry. Many thanks to all for your kindness and caring.

We wish you and your family a happy and blessed New Year!

Mrs. Wolken Mrs. Pridemore

Pre-registration for fall is now open to those outside our school.
