March 2017 Bulletin FOUR YEAR OLD

Dear Parents,

You can help expose your children to the powers of *language* by having a conversation with them, listening carefully while they speak, and watching television together. When going to the store, library, or park you can talk about these activities in descriptive sentences.

This month the children will all be *weather watchers*. They will be recording the weather and making graphs at school. We encourage the children to listen to the weather report before coming to school. We will be talking about it in class.

The children are working to learn their own *telephone number* and *address*. Ask your child, later this month, about the house they made for school. Does it have a sticker? Has the phone line been connected? Your child will be able to explain this to you.

Numbers **11 & 12** are new this month. We are using a variety of number games to reinforce skills. Ask the children about "*math games*". Letters this month are **Kk, Ee, and Uu**.

PARENT/TEACHER CONFERENCES will be scheduled later this month. W/T/F class conferences will be scheduled Friday, March 17th. M/T/W class conferences will be scheduled Monday, March 20th. The Five Day Fours will be scheduled on both of those days. If you have a specific time request, please send a note right away.

Mrs. Pridemore Mrs. Williams Mrs. Wolken

SPECIAL DAYS IN MARCH:

- | | |
|-------------------|--|
| Tuesday, March 7 | - Picture day for M/T/W Class and Five Day Fours |
