Dear Parents,

Fall activities and Halloween made October a busy month for the children. They have talked about the signs of the season, taken walks, watched the leaves turn, and made fall leaves to decorate our rooms.

The boys and girls are adjusting to their classroom schedules, learning about sharing, taking turns, listening to stories, and making new friends.

We will talk about and celebrate Thanksgiving. The children will prepare food to "share" with the other classes at our "Giving Thanks" feast. You will receive a note requesting an item to add to the menu. (We thank you!)

The school will be collecting canned food this month for the Jefferson County "**Dare to Care**" program. This is a great time to teach children about their community and how they can help others.

*We hope you and your family have a Happy Thanksgiving!*  
*Mrs. Wolken      Mrs. Pridemore*
