Dear Parents,

Something has been cooking in the Preschool - all those seeds we scooped out of the pumpkin have been baked and tasted. YUMMY!

With Halloween soon over, we'll begin to concentrate on Thanksgiving. The classes will have a unit on food, centering on eating balanced meals. A culminating activity will be our "Giving Thanks Feast". The children will plan and prepare food to "share" with the other classes. You will receive a note requesting an item to add to the menu. (We thank you!)

The school will be collecting canned food this month for the Jefferson County "**Dare to Care**" program. The children may contribute anytime before Thanksgiving. This is a great time to teach children about their community and how they can help others.

Has your child told you about the "**Listening Center**"? The children enjoy various story cassettes we have in our Audio-Visual Library. It is one more way of developing language. They are growing in maturity when they are able to sit quietly and listen with understanding for longer periods of time.

Letters and Numbers for October - Oo, Pp, Jj, Cc, 2, 3 and for November - Nn, Ii, Tt, 4 and 5. We need your help to reinforce these upper and lower case letters as well as the numerals. Look for them when you are out or at home after your story at night. Are the letters in the story title? What page number do you see? Let them tell you. The children enjoyed taking books home from school to look for letters. Thanks for helping them to return the folders back to us the next day.

*We hope you and your family have a Happy Thanksgiving!

Ideas for home
Make sure you are having your child use the curve and straight lines you made this summer to build letters and numerals we have worked on. Using their hands, makes a big difference. Need another pattern? Please ask

If you need a new GOING HOME SIGN, please let us know. The signs are so helpful to us at dismissal.

REMINDER: Nov. tuition is due. There is a \$25 late fee for tuition received after the 15th of the month.
