Dear Parents,

This fall will begin the fifty ninth year in which this school has been involved in the education of Preschool and Kindergarten children. We welcome the challenge to further enhance the development of the early childhood of your youngster. You will be notified by mail near the end of July to tell you the date classes will begin and of the Parent-Teacher Meeting that will be scheduled in mid-August. This important meeting is a time for **parents and teachers** to further discuss curriculum, review our school calendar, form carpools, and become more acquainted.

Most children have an annual physical and your doctor will be willing to fill out a health form for you. All three and four year old students must have a health **form** filled out **prior to entrance** and a separate up-to-date **immunization certificate** from your child's doctor. All Kindergarten students must have a physical examination no earlier than six months prior to their entrance. The health form, and immunization certificate, **by law, must be turned in prior** to the first day of school. You may bring them with you to the Parent - Teacher Meeting.

A special note to the parents of three year olds: All children entering the school must be toilet trained by the beginning of the school year (no pull ups).

Upon receipt of the registration form, tuition payment and the registration fee, your child will be guaranteed a spot for this coming school year.

We will look forward to seeing you,
Donna Scott, School Director
